We in the Spanish Club have enjoyed ourselves in so many ways this year. We organized a drop-in for all the teachers during National Education Week. Different appetizers were served; such as Bunuelos, Tortillas, and Bean Dip. We went on a trip to Munich for a Spanish dinner but, the best event of the year was the trip to Barcelona, Spain. It was a great experience for all. The Spanish Club hopes that next year more people will get involved. All students are welcome to join

The 77-78 yearbook was a lot of work for me and my staff. I would like to mention a special thanks to the 5th hour class. Without them we would have never finished in time. The yearbook is not easy to make. There were a lot of hard times, but we seem to have worked things out. A lot of people complain about the yearbook. If you think you can do something about it, then do it by becoming part of the yearbook staff. I think this yearbook is a good one, but it could have been better with a lot more support. I wish next year's staff a lot of luck. I leave some experienced people behind me for your benefit. We have reached our goal, and to show it we have this book.

# MEGATUTORIAL

The AHS chapter of National Honor Society planned a special tutorial education session to kick off national Education Week, November 4-18. This Megatutorial was held at the high school Sunday afternoon November 13. This project called "Guinness Goes to School" involved 220 people or approximately 400 hours of tutorial instruction. Whether or not the attempt to make a Guinness World Record was made is not known at the printing of this publication. NHS would like to offer special thanks to Ms. Griffin, Colonel Mayville, and the many students, teachers, adults, and German guests who helped organize and participate in this community service project.

# DRAMA CLUB

The AHS Drama Club traditionally presents a theatrical piece that is thought-provoking as well as entertaining. George Orwell's classic, 1984, met this criteria. The play warns the viewers not to lose their human qualities, to love, to reason, to question or else they will become soulless automatons. The large audiences that attended the performances did realize the satire in the slogans, "Ignorance is Strength, Freedom is Slavery, and War is Peace."

## COVER DESIGN BY CHARLIE WATKINS

"The only way to improve the quality of your yearbook is for more concerned and talented students to become involved with its production, students who are willing to put thought, effort, and long hours into it. Those who complain most loudly about deficiencies of the yearbook should be the ones who join the staff in order to make it a better publication."
